GENERAL COMMENTS

The MMCC Zone F believes that the current poor visibility due to the harmatthan and associated calm sea state will continue to provide good conditions for pirates to exploit and attack vessels further offshore.

The Centre also believes that the perpetrators of both crimes are linked and are poised to attack any vulnerable vessel. Vessels sailing offshore are cautioned to remain vigilant at all times and report any suspicious skiff sighted.

Additionally, maritime law enforcement agencies should be ready to respond at very short notice to situation.

FORCAST FOR THE COMING WEEK AND ADVISORIES

General Maritime Security Situation in the Maritime Zone F - Expected to remain quiet and incident free however the possibility of Petty Theft and Armed Robberies within Ports and anchorages in maritime Zone F remains likely
