# ACTIVITIES CONDUCTED

- Checked communication with member states and other relevant agencies/stakeholders.
- The Centre coordinated intelligence sharing with various maritime actors in Zone F and maintained routine surveillance of its maritime space.
- Participated in Ex Grand African NEMO MPC in France from 27 – 28 June 2022.
- Repair works at the Centre ongoing.

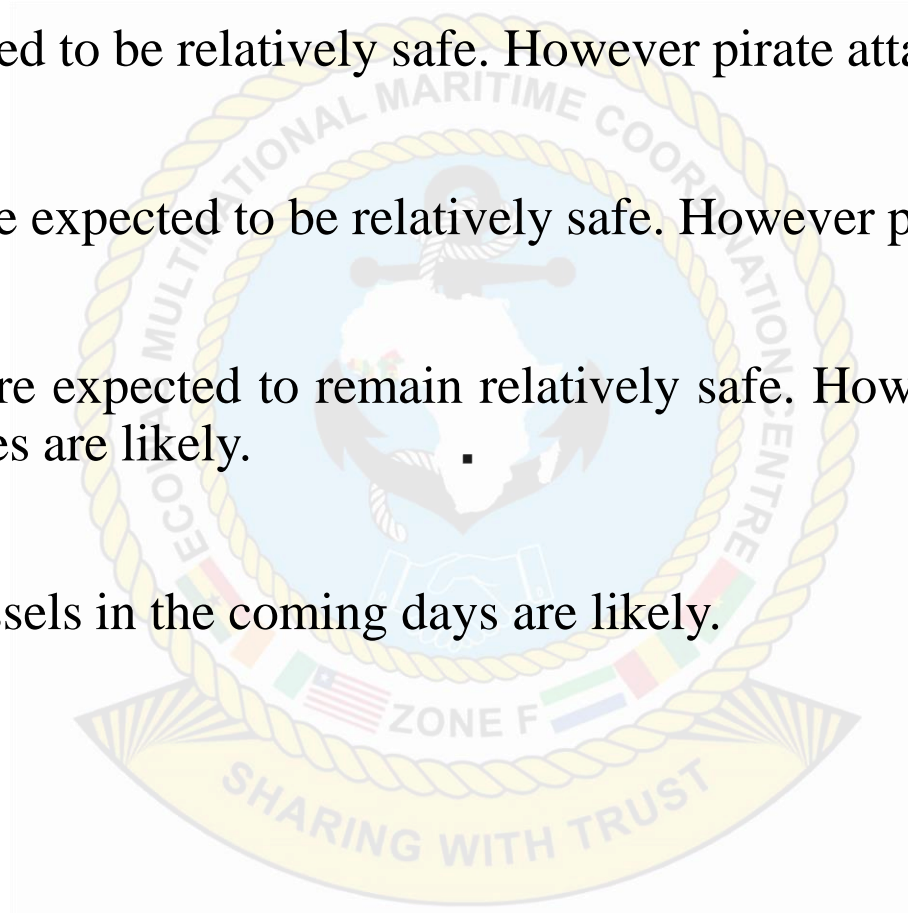

# GENERAL COMMENTS/ADVISORIES

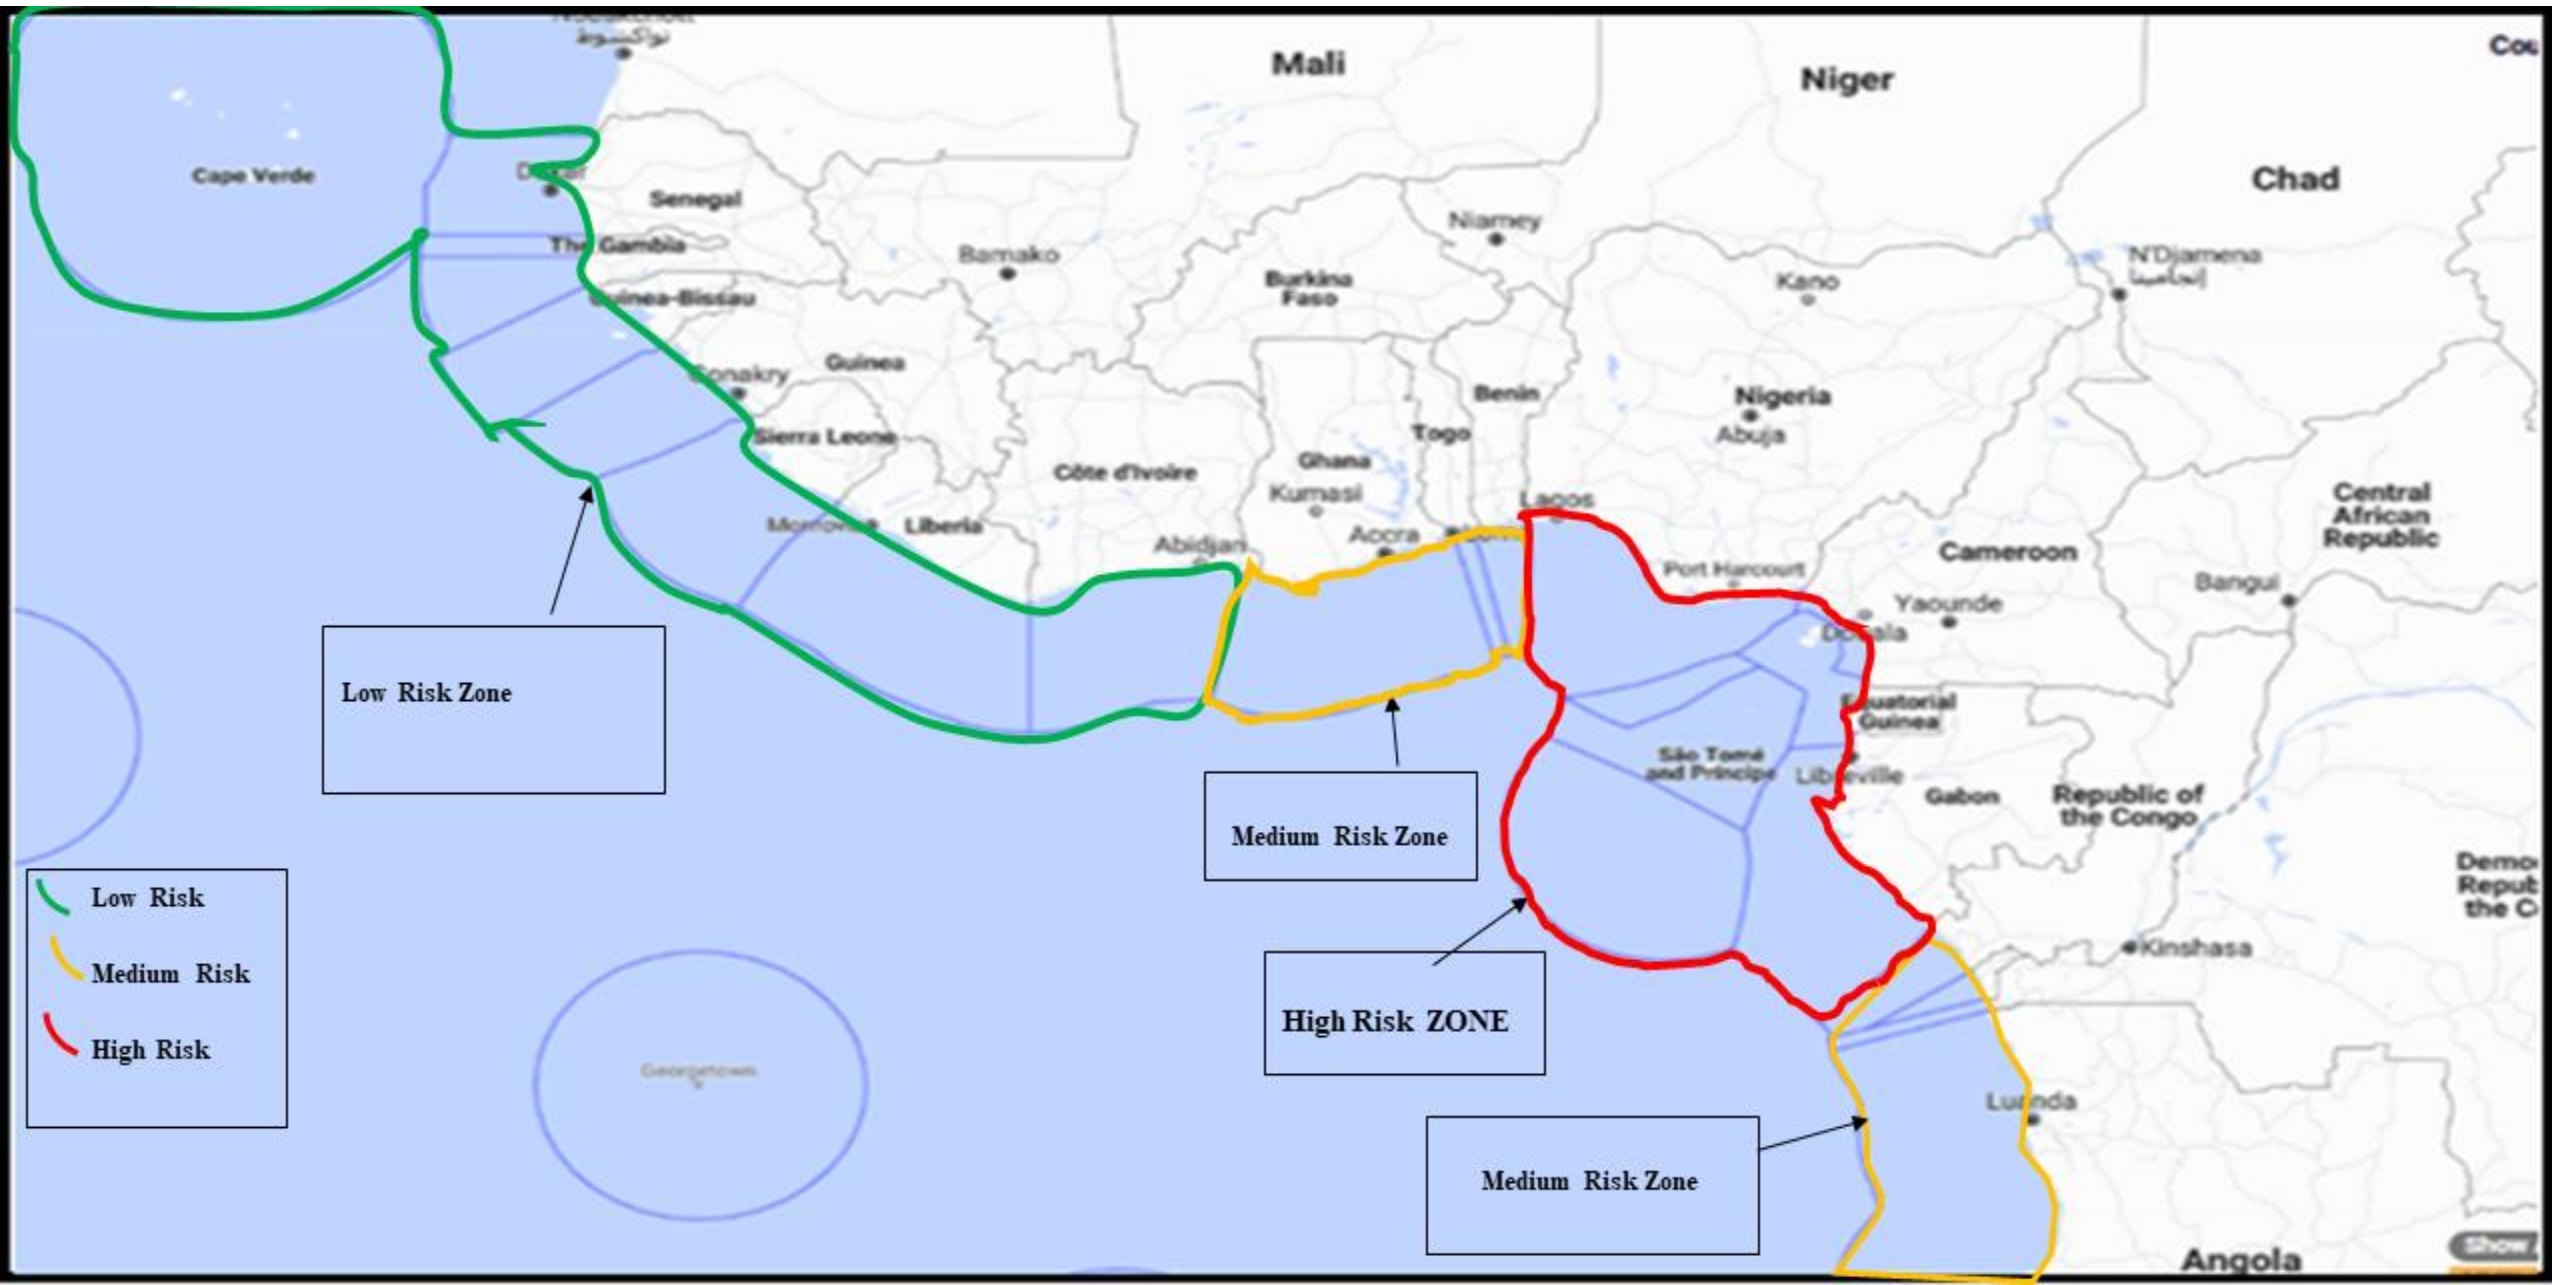

- The week under review remained calm and normal with no incident recorded within the reporting period.
- The GoG has so far recorded about 25 maritime security incidents with only 3 incidents occurring offshore as compared over 45 incidents recorded within same period in 2021.
- No offshore kidnapping incident has been recorded so far in 2022 as compared to 7 kidnapping incidents recorded within same period in 2021 with 59 crew members kidnapped.
- The number of piracy incidents are expected to continue to decline further during the course of the year. However, PAGs are still potent offshore the GoG especially from Cote d'Ivoire to Gabon. Maritimes are therefore warned not to be complacent.
- All vessels transiting or operating in the GoG are therefore advised to be extra vigilant, maintain sharp lookout especially at night and report any suspicious activities to the necessary authorities.
- Coastal law enforcement agencies and foreign navies operating in the region are encouraged to maintain increased surveillance and patrols within the region to deter and arrest pirate action groups.

# FORCAST FOR THE COMING WEEK

- Maritime Zone F is expected to be relatively safe. However pirate attacks is likely.
- Maritime Zone E and D are expected to be relatively safe. However pirate attacks is more likely.
- Maritime Zone A and G are expected to remain relatively safe. However petty theft and robberies within ports and anchorages are likely.
- Attacks against fishing vessels in the coming days are likely.
