PIRACY THREAT ASSESSMENT FOR THE MONTH OF FEBRUARY 2023

4. The piracy risk assessment for February 2023 is as follows:
 - a. The threat of pirate attacks in Maritime Zone F is likely for February 2023.
 - b. Attack on fishing vessels operating in Maritime Zone F remains likely following the history of these events.
 - c. Maritime Zone F is expected to be relatively safe. However, the possibility of unauthorised boarding and theft within ports/anchorages, especially the Takoradi and Conakry anchorage areas, remains likely.

ILLEGAL FISHING THREAT ASSESSMENT FOR THE MONTH OF FEBRUARY 2023

5. Illegal fishing assessment for February 2023 is as follows:
 - a. Illegal fishing will persist due coastal states within Maritime Zone F inability to adequately implement measures and weak legal regimes for enforcement to deal with the situations.
 - b. The conduct of activities at the blind sides of maritime law enforcement agencies by both local and foreign vessels is likely to continue.

ILLEGAL TRANSFERS THREAT ASSESSMENT FOR THE MONTH OF FEBRUARY 2023

6. Illegal transfers' assessment for February 2023 is as follows:
 - a. The likelihood of illegal transfers, including drugs, oil and other contraband goods, remains likely following their history of occurrence.
 - b. Both local and foreign vessels may engage in these activities without being spotted by maritime law enforcement agencies.

RECOMMENDATIONS

7. The following are recommended:
 - a. All vessels transiting the Maritime Zone F, the sea area from Guinea to Ghana, are advised to remain vigilant, maintain a sharp lookout, apply the BMP West Africa, and report any suspicious activities to the relevant authorities.
 - b. Vessels within ports and at anchorages, especially Takoradi and Conakry ports/anchorages, are advised to remain vigilant and rotate crew on watch regularly, especially at night, to prevent petty theft and robberies.
 - c. Vessels are advised to desist from loitering around or drifting unnecessarily offshore to prevent them from being vulnerable to pirate attacks.

d. Coastal law enforcement agencies get encouraged to monitor maritime activities such as IUU, marine pollution, Stowaways, illegal ship-to-ship transfers and drug and weapon trafficking.

9. The MMCC Zone F maintains a 24-hour operations centre. Shipowners and maritime stakeholders can contact the Centre via hotlines at +233 547976523/+233 302736804 or via email at zonefmmcc@gmail.com/zonefmoc@gmail.com to access or report any incidents. The information received from vessels, shipping agents, Company Security Officers (CSOs) and other partners is treated with the utmost confidentiality and shared promptly on a need-to-know basis to coordinate responses.
